Obstinate sores and ulcers which refuse to heal under ordinary treatment soon become chronic and deep-Suffering, Promptly Cured seated, and are a sure sign that the entire circulation is in a depraved condition. They

by S. S. are a severe drain upon the system, and are constantly sapping away the vitality. In every case the poison must be eliminated from the blood, and no amount of external treatment can have any effect. There is no uncertainty about the merits of S. S. S.; every claim

made for it is backed up strongly by convincing testimony of those who have been cured by it and know of its virtues by experience. Mr. L. J. Clark, of Orange Courthouse, Va., writes:

Mr. L. J. Clark, of Orange Courthouse, Va., writes:

"For six years I had an obstinate, running ulcer on my ankle, which at times caused me intense suffering. I was so disabled for a long while that I was whelly unfit for business. One of the best doctors treated me constantly but did me no good. I then tried various blood remedies, without the least benefit. S. S. was so highly recommended that I concluded to try it, and the effect was wonderful. It seemed to get right at the seat of the disease and force the poison out, and I was soon completely cured." Swift's Specific—

-drives out every trace of impurity in the blood, and in this way cures permanently the most obstinate, deep-seated sore or ulcer. It is the only blood remedy guaranteed purely vegetable, and contains not a particle of potash, mercury, or other mineral. S. S. S. cures Contagious Blood Poison, Scrofula, Cancer, Catarri, Eczema, Rheumatism, Sores, Ulcers. Boils, or any other blood trouble. Insist upon S. S. S.; nothing can take its place. A Romney special to the Baltimore Sun is as follows: "Col. Thomas B Davis will not be a candidate for the Democratic nomination for Governor. He made this announcement for the first time here last night to State Senator Cornwell. who repeated it to the Sun's correspondeut. This decision, which Colonel Davis says he reached after mature deliberation and much thought, is final. He says he he cannot allow the use of his name. The chief of these is that his time is entirely taken up with his business affairs. He does not regard the talk of the nomination of his brother, Hon. H. G. Davis, serious ly, for the reason, as he stated, that his brother is even more engrossed in Lusi ness than himself and would not for a moment ev n consider the question."
